Department of Mines

Order

No. 96/434/88-Mines

In exercise of the powers conferred by sub-section (2) of section 8 of the Mines and Minerals (Regulation and Development) Act, 1957 (Central Act 67 of 1957), read with sub-rule (2) of rule 24A of the Mineral Concession Rules, 1960, the Government of Goa hereby renews the mining lease with the previous approval of the Central Government in favour of Shri G. N. Agrawal (hereinafter referred to as 'The Lessee'), for undertaking mining operations for Ferruginous Manganese ore in the area shown in the schedule appended to this Order for a period of 10 years subject to the special conditions as laid down hereunder to be incorporated in the lease deed which shall be executed by the Lessee and the Governor of Goa:—

1. The Lessee shall carry out at his expenses such experiments on remedial measures as directed by the Director of Industries and Mines, Government of Goa or any other officer authorised by him and shall report the result to him.

2. The Lessee shall allow, co-operate with and provide all facilities to the experts authorised by the Government to carry out research work or experiments on remedial measures in his leased area or dumping sites.

Order

No. 96/290/88-Mines

3. The Lessee shall, at his own expenses undertake remedial measures to the satisfaction of the Director of Industries and Mines, Government of Goa (hereinafter called Director of Industries and Mines) to prevent damage to the agricultural or forest lands due to the flow of mining rejection or wastes or slimes resulting from his mining operations, within a reasonable time or such time as may be directed by the Director of Industries and Mines.

4. If the Director of Industries and Mines or the officer authorised by him in this behalf, is of the opinion that any active dump causes or will cause damage to the agricultural or forest land, which cannot be prevented, he may by order in writing, direct to stop further dumping on such dump. No such order shall however be made unless the Lessee is afforded a reasonable opportunity of stating his case.

5. The Lessee shall undertake to rehabilitate the land left over after the mining operations are concluded, through soil conservation measures to the satisfaction of the Government and within such reasonable time as the Government may by an order in writing specify.

6. In the event of the failure on the part of the Lessee to undertake the aforesaid measures within the stipulated period, the Government without prejudice to any other action it may take against the Lessee, may take the requisite steps to rehabilitate the said land and recover the expenses incurred for such work from the Lessee as arrears of land revenue.

7. The Lessee shall undertake necessary measures to consolidate the dumps by planting suitable species of grass, legumes, or trees, etc. as may be directed by the Director of Industries and Mines, from time to time.

8. The Lessee shall undertake to plant elsewhere within the leased area at least as many trees as are removed during the mining operations.

9. The Lessee shall not dump or allow it to be dumped any rejects at any point within a distance of 100 metres from the bank of any river or nallah and 50 metres from the lease boundary, except with the previous written permission of the Government.

10. The Lessee shall not discharge or allow it to be discharged any muddy and slimy water from the beneficiation/washing plant and shall provide settling tanks of proper design and adequate capacity for settling solids so that only decanted water may overflow.

11. The Lessee shall undertake the work of desilting of drains and streams outside the leased area periodically to prevent them from being choked and shall provide check dams to facilitate the settling of suspended solids.

12. The Lessee shall take necessary steps not to overload or allow it to be overloaded the trucks carrying the ore/rejects from the leased area to any loading point or stockyard.

13. The Lessee shall make and pay such reasonable compensation to the owner or tenant or occupant of the land or property situated in the leased area or in the vicinity of the leased area which is damaged or injured or disturbed as a result of mining operations or due to the flow of mining rejects, slimes or wastes from the mine as the case may be, as may be assessed by the Collector, South Goa in accordance with the Law in force on the subject and shall indemnify or keep indemnified fully and completely the Government against all claims which may be made by any person or persons in respect of any such damage, injury or disturbance and all costs and expenses in connection therewith.

14. The Lessee shall obtain surface rights or obtain consent of the owner/occupier of land before entering the land for commencement of mining operations in the area.

Shri G. N. Agrawal shall on peril of revocation of this Order execute within a period of 180 days from the date of communication of this Order a deed of lease as contemplated under rule 31 of the Mineral Concession Rules, 1960.

In the event of the failure on the part of the Lessee to undertake the aforesaid measures within the stipulated period, the Government without prejudice to any other action it may take against the Lessee, may take the requisite steps to rehabilitate the said land and recover the expenses incurred for such work from the Lessee as arrears of land revenue.
7. The Lessee shall undertake necessary measures to consolidate the dumps by planting suitable species of grass, legumes, or trees, etc. as may be directed by the Director of Industries and Mines, from time to time.
8. The Lessee shall undertake to plant elsewhere within the leased area at least as many trees as are removed during the mining operations.
9. The Lessee shall not dump or allow it to be dumped any rejects at any point within a distance of 100 metres from the bank of any river or nallah and 50 metres from the lease boundary, except with the previous written permission of the Government.
10. The Lessee shall not discharge or allow it to be discharged any muddy and slimy water from the beneficiation/washing plant and shall provide settling tanks of proper design and adequate capacity for settling solids so that only decanted water may overflow.
11. The Lessee shall undertake the work of desilting of drains and streams outside the leased area periodically to prevent them from being choked and shall provide check dams to facilitate the settling of suspended solids.

12. The Lessee shall take necessary steps not to overload or allow it to be overloaded the trucks carrying the ore/rejects from the leased area to any loading point or stockyard.
13. The Lessee shall make and pay such reasonable compensation to the owner or tenant or occupant of the land or property situated in the leased area or in the vicinity of the leased area which is damaged or injured or disturbed as a result of mining operations or due to the flow of mining rejects, slimes or wastes from the mine as the case may be, as may be assessed by the Collector South Goa in accordance with the law in force on the subject and shall indemnify or keep indemnified fully and completely the Government against all claims which may be made by any person or persons in respect of any such damage, injury or disturbance and all costs and expenses in connection therewith.
14. The Lessee shall obtain surface rights or obtain consent of the owner/occupier of land before entering the land for commencement of mining operations in the area.

M/s. Damodar Mangalji & Co. Ltd. shall on peril of revocation of this Order execute within a period of 180 days from the date of communication of this Order a deed of lease as contemplated under rule 31 of the Mineral Concession Rules, 1960.
